

To Whom It May Concern:

I would like to offer a record of recommendation for LaToya Rogers. Ms. Roger served in an internship and volunteer capacity with Radio One, Columbus during the spring and summer quarter of 2004. I found her to be a hard working and eager assistant with interests in all areas of broadcasting. She was able to cross train from sales to promotions to general office and spent some time at the end of her internship by learning production. LaToya continued to assist the station with events and promotions even after completing her internship and has been encouraged to use us as a point of reference. Should you need any further information, please feel free to give me a call.
